The background is a dark teal color. In the upper left, there are two light green butterflies. At the bottom, there is a starburst pattern of white and light blue particles, with several larger, faceted, light blue crystals scattered around it. The entire scene is framed by a thin white border.

ARPSMUN IV ALLOCATIONS

The background is a solid teal color. At the top, there is a faint, lighter teal cloud-like texture. In the upper right quadrant, there are two stylized, light teal butterfly-like shapes. At the bottom, there is a dense field of small white dots and several larger, translucent, faceted geometric shapes that resemble crystals or shards, some of which are slightly blurred, suggesting depth.
